The Z-Advantage Kits

Quality You Expect, Performance You Demand, Value You Deserve.

ZHUZHOU CEMENTED CARBIDE
CUTTING TOOLS CO., LTD.

FMA11 P K

45 Degree Face Milling Series

- Cutter is PVD coated for superior corrosion and heat resistance.
- 8 Cutting Edges.
- Available in 3 insert sizes and 2 wipers.

FMA12 **P** **M** **K**

45 Degree Face Milling Series

- High Performance 16 edges.
- Unique 3D edge design.
- Double negative rake angle with helical insert design creates double positive axial angle for reduced cutting tool forces.

FMD02

67 Degree Face Milling Series

- High Performance 10 edges.
- First choice for face milling cast iron .
- Open chip breaker and large rake angle design, suitable for machines of different power.

FMP12 **P** **K**

90 Degree Face Milling Series

- High Performance 6 edges.
- 90° approach angle can be used for shoulder milling, face milling, groove milling, etc.
- Double negative angle tool body combined with unique insert to achieve double positive tool angle, reducing cutting forces.

EMP01 **P M N**

Square Shoulder Milling Series

- Multi-function for square shoulder milling, slot milling, ramp milling etc.
- Inserts with newest 3D helical cutting edge for reducing cutting force.

EMP13

Straight shank

Weldon shank

Square Shoulder Milling Series

- Double negative rake angle tool body in combination with extra thick insert achieves double positive tool angle, which will help reduce cutting resistance and greatly improve impact resistance.
- Properly designed cutting edge with high precision control can achieve high quality 90 degree square shoulder milling.

				1000-	0.008(0.003-0.016)	

XMR01**High Feed Milling Series**

- Two mounting types: Straight shank and shell mill.
- Radial cutting force is reduced effectively to realize cutting with high feed rates.

ZTD03

3xD Short Hole Drills.

- High Torque capability bodies. Large flute gullets for free chip evacuation.
- Insert position reduces vibrations for improved hole tolerance and finish.

The Z - Advantage **Kits**

It's never been easier to try ZCC and get the Z Advantage for yourself.

Our Z Advantage Kits offer the best of ZCC competitive advantage products in a convenient easy to store and use package at a very special price that will cost you more not to buy one. We're so sure you'll agree that we're offering an unconditional satisfaction guarantee on your purchase. If for any reason you are not 100% satisfied with your Z Advantage Kit purchase, simply return it in its original package for a full refund. And while it would be appreciated if you told us why you chose to return our Kit, it's not required.

In fact, we're challenging you to prove our Kit isn't the best offer available anywhere. If you can document that any other similar product produces a greater cost savings in the same application, just return the Kit with test documentation and we will refund your purchase price plus 10%.

Of course, there are some restrictions and limitations, but they are noted below*, stated clearly, and not designed to make our guarantee or challenge impossible to use. We want simply to be transparent and make sure you understand and appreciate what we are offering.

*ZCCUSA full refund requires return of all Kit product in its original package. The condition of the product is unimportant. Tests Report must be fully completed and submitted on a ZCCUSA Test Report Form.
